NATURE OF COMPLAINT

Complainant reports finding an object in his garden which he believes to be a Japanese fire bomb.

REPORT

The object was turned over to Sergeant William Hedt of the Detroit Post. Mr. Cook states that he found it on June 8th, 1945 at the rear of his garden. The object is a tin can 13 inches in circumference by 9 inches long with a wooden plug 3 3/4 inches long encased in the top of the round can.

This object is being turned over to the Army Intelligence at Detroit Michigan for disposition.

Captain Leonard, Second District Commander, State Police has been advised and directed the object be turned over to the Army.

Respectfully Submitted

Sgt
Post Commander, Detroit.
